1. Baptism
2. 1st Holy Communion
3. Confirmation
4. Marriage
5. Confession
6. Death

**Which of these do you approve of and
say you did/ would do for yourself?**

1. Baptism

2. 1st Holy Communion

3. Confirmation

4. Marriage

What do we all have in common?

Did you choose to come to this/do your confirmation?

- This is probably the first choice in your religious life, this decision is fully YOURS
- First Holy Communion could've been your choice, it depends on your religious life growing up around the church
- If at the beginning you're not sure, stick with it, you may surprise yourself with how much you learn and what you find out not only about Confirmation but about yourself
